CHRISTMAS AT SPARK

GOOD FOOD. GREAT DRINKS. GIVING BACK.

We're taking Christmas back to the 90s. Think multicoloured lights, tinsel-covered ceilings and the charm of a British Christmas street. Join us for festive food and drinks from York's independent businesses, a healthy dose of nostalgia and a chance to give back.

CHRISTMAS LIKE IT'S 1996

The fairy lights are multicoloured, the tinsel is everywhere, Nan's gone overboard with the decorations.

This year, we're bringing that feeling back to SPARK. Expect 90s Christmas nostalgia alongside the things that make SPARK special. Independent York street food, great drinks and a welcoming community atmosphere.

No stuffy set courses or standardised festive menus, just a Christmas celebration with character and a chance to give back.

OUR CHRISTMAS CHARITY CAMPAIGN

Every time you celebrate with us, you help support those who need it most in our city. This year, we're giving back to SASH, helping young people facing homelessness in York and North Yorkshire.

Table bookings: A £1 per person contribution is automatically added to every venue table booking.

Private hire: an optional £1 per guest donation, separate from the hire price, passed on in full to SASH.

100% Direct Impact: 100% of these donations go straight to local beneficiary charities supporting the York community.

Track our progress: We're aiming to raise £2500 for SASH this year across table bookings, room hires, and our Big Christmas Quingo. Live tracker pending! Check back to our website for updates
